j jam

Jam tarts.

- This page has the recipe for jam tarts.
- It is my job and joy to make them.
- I take the bowl, the jug, the jar with the jam and all the in-gre-dients and put them on the table. I mix the dough gently, roll it out and press out the shapes. A tea-spoon of jam on top; then into the oven for 15 minutes! "Magic! Come and join me."
